They Will Weigh In at 137 Pounds.

Friday's Races Enriched the Book Makers.

Only One Favorite Made Good—Local Sporting News.

Art Simms and J. L. Miller, manager of Tim Hoonan, met at the Democrat office Friday afternoon and signed articles of agreement for a 20-round contest to take place before the club offering the largest purse.

This match should draw a record breaking crowd. Both men are well known in this vicinity and both have many admirers. They will weigh in at 137 pounds or less at 3 o'clock on the day of the contest.

Simms has long sought a contest with Hoonan. He firmly believes he can take the measure of the Barborton man and that he can do it in 10 rounds. Hoonan has had no trouble in disposing of every man he has met and he will be full of confidence when he meets Simms. The articles of agreement follow:

"This agreement made and entered into this 13th day of July, 1900, between Art Simms, party of the first part, and Tim Hoonan, party of the second part, agreed:

"That the parties of the first and second part agree to meet in a boxing contest of 20 rounds duration, Marquis of Queensbury rules to govern, before the club offering the best inducements, to take place between two and three weeks from said date.

"That the winner of the contest shall take 65 per cent. of the purse and the loser, 35.

"Parties of the first and second parts have posted \$50 each as a guarantee of good faith, the club to post \$100. "That in the event of either the club or either principal failing to live up to the conditions of this agreement, said party or parties shall forfeit said sums of \$100 or \$50, respectively, same to be divided equally between the parties who have lived up to the agreement.

"That the parties of the first and second part and the club securing the contest shall have representatives at the door and have charge of the ticket boxes, the club agreeing to pay the face value of every ticket taken in at the doors, other than 50 tickets set aside for complimentary uses.

"The final stakeholder shall be the sporting editor of the Democrat, Chas. A. Marvin.

"Referee to be George Siler, or some other person agreeable to parties to this agreement.

"Any point not covered in this agreement to be decided by persons directly interested.

"Both parties agree to weigh in at 137 pounds at 3 o'clock in the afternoon of the day of said contest.

"In witness whereof the parties hereto have hereunto set their hands this 13th day of July, 1900.

Safe.

The little child is safe from ordinary dangers in the care of the faithful dog. But neither the dog's fidelity, nor the mother's love can guard a child from those invisible foes that lurk in air, water and food—the germs of disease. Children need to be specially watched and cared for. When there is loss of appetite, lassitude and listlessness in a child, an attempt should be made to revive the appetite and rally the spirits. In Dr. Pierce's Golden Medical Discovery parents have found an invaluable medicine for children. Its purely vegetable character and absolute freedom from alcohol and narcotics commend it to every thoughtful person. It is pleasant to the taste, unlike the foul oils and their emulsions offered for children's use. "Golden Medical Discovery" makes pure blood and sound flesh, and absolutely eliminates from the system the poisons which feed disease.

Mr. Ella Gardner, of Waterville, Middlesex Co., Va., whose daughter suffered from malaria, polio and catarrh, writes: "My little daughter is enjoying splendid health. I am glad I found a doctor who could cure my child. She took twelve bottles of the 'Golden Medical Discovery,' eight bottles of 'Bella,' and one bottle of Dr. Sugg's Catarrh Remedy, and she is well. We thank God for your medicines."

Give the little ones Dr. Pierce's Pleasant Pellets when a laxative is needed. They're easy to take and don't gripe.

thing passed off very smoothly. There was not an accident and no jobs. The thunders, in several instances, added something to the actual time of the heats in order to save the horses from too fast a mark. This statement is made on the authority of a number of well known men who held watches in the grand stand. The pool sellers made a clean up again Friday. The only favorite to win was Trueblood in the 221 pace. The 2:13 pace was a disappointment. It was expected that fast time would be made. The best that the starters could do was to pace the track in 2:16 1/2. This was in the first heat won by Jessie L. Barney Tracy carried the bunch to the quarter in the same heat in 32 seconds, a 2:08 gait. The half was finished in 1:00 1/2.

A Life Saved by Dr. Williams' Pink Pills for Pale People

Miss Frankie Hathaway, of Sixteenth Street, Holland, Mich., says: "I am twenty-one years old. At sixteen I was pale and weak. By the time I was nineteen years old I was so weak I could not walk across the floor. I was terribly emaciated and my skin had lost all color. The doctor pronounced the disease Anemia. Being advised to try Dr. Williams' Pink Pills for Pale People, I bought a box, and before I had taken all of the pills found that they were doing me good. Appetite increased and the healthy color began to show in my cheeks and lips. I continued to use the pills until I found myself permanently cured. Since then I have had no return of my old trouble. I know that Dr. Williams' Pink Pills for Pale People saved my life, and I believe that no other medicine could have done it."
